

Love Lives On

Those we love remain with us
For the love itself lives on and cherished
memories never fade. Because a love ones
gone. Those we love can never be more
than a thought apart for as long as there is memory
They'll live on in our hearts.

Memories

I feel a warmth around me
Like your presence is so near
and I close my eyes to visualize your face when
you were here. I endure the times we spent together
and they are locked inside my heart. As long as I have those
memories we will never be apart. Even though we cannot
speak anymore my voice is always there because every
night before I sleep, I have you in my prayer.
