

*She's Gone/ She's Gone*

*You can shed tears that she is gone  
Or you can smile because she has lived.*

*You can close your eyes and pray that she'll come back  
Or you can lift your lids and see all she's left.*

*Your heart can be empty because her essence isn't here or you can be full of  
the love you shared. You can turn your back on tomorrow and live yesterday  
Or you can be happy for tomorrow because of yesterday.*

*Oh wee Jesus her presence, was authentically prominent. She fuss, she  
fought, she preached, she taught help understand life. My Jesus, my Jesus,  
her illustrious words was not taken for granted. You can remember her and  
only that she's gone or you can cherish her memory and let it live on. She  
never lied nor deceived yet she embraced everyday  
Possibility of life, fighting for her breathe of fresh air.*

*You can cry and close your mind, lie empty and turn your back on what she  
taught or you can do what she'd want: smile, open your eyes, love and live  
on. My Lord my Lord ya essence ya wisdom will never be forgotten just  
help us hold on and get through this Yes baby Jesus  
She's gone.*
