

There is no greater pain~ No loss compare
The torment when you lose a child
No human heart can bear.
No one can just imagine
No one can comprehend
Unless they lose their own child
and then they'll understand.
You'll never really breathe as strong
Your heart will bear a scar
no words can speak the sorrow
and it changes "who" you are.
I know my life has meaning
I try to live each day
I start my mornings with your love
and then begin to pray.
For all of you who've lost a child
please know I feel your pain
and when we see our children
We'll be ourselves again.

I really don't know where to start'
The day you left it broke my heart
Not just a crack it broke in two..
Filled with love just for you
The love's not gone is kept safe inside
But when you left part of me died
I want to remember the bond we share
But the pain in my heart
Is so hard to bear. I miss you so much
And more everyday, and love you much more than
Words could ever say
