

Don't think of me as gone away
my journey's just begun,
life holds so many facets
this earth is only one.

Just think of me as resting from the sorrows
and the tears in a place of warmth and comfort
where there are no days and years.

Think how I must be wishing
that we could know today,
how nothing but sadness
can really pass away.

And think of me as living in the hearts
of those I touched...
For nothing loved is ever lost and I
will miss everyone so much.
