

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God has chosen for me.
I took His hand when I heard him call
I turned my back and left it all.

I could not stay another day, to laugh, to love, to
work or play. Tasks left undone must stay that way. I've now
found peace at the end of the day. If my parting has left a void,
then **fill it with remembered joys.** A friendship shared, a laugh,
a **kiss, oh yes, these things I too will miss.** Be not burdened
with times of sorrow look for the sunshine of tomorrow.

My life's been full I savored much. Good friends,
good times, a loved ones touch. Perhaps my time seem all too
brief. Don't **lengthen it now with undue grief.** Lift up your head
and **peace to thee.** God wanted me now - He set me free
