### *A letter to Papa*

A page in our book of memories has gently turned today. Wherever we go, whatever we do, memories keep us near to you. You were everything in life to us papa; Our dad and granddad, and most certainly let's not forget, a great friend to whomever life you came into.

Although you had to leave us we love you without an end. To hear your voice, to having our talks of the day. To see you smile just meant everything. To the way you danced - you lit up the room like you are doing now in the skies. We are so hurt to see you go but we know God got you, and you are in a better place looking down on us.

Thank you Papa.
