

Tina had a very warm, courageous, direct personality. She would always speak her truth to you whether you liked it or not. Tina loved to laugh, so she never missed the opportunity to make a joke out of any situation. So often, I found myself wiping tears pouring down my cheeks from laughing at something she said to me. She was my niece, although we grew up as if we were sisters. So wherever she is, I can see her bringing joy to whomever is around. Rest on little sis.
