

I'm Free  
Don't grieve for me for now I'm free,  
I'm following the path God laid for me  
I took His hand when I heard Him call,  
I turned my back and left it all.  
I could not stay another day, to laugh,  
to love, to work or play  
tasks left undone must stay that way,  
I've found that peace at the close of day,  
If my parting has left a void,  
then fill it with remembered joy.  
A friendship shared, a laugh a kiss,  
Ah yes these things I too will miss.  
Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.  
My life's been full I savored much, good friends,  
good times, my loved one touch. If my time  
seemed all too brief, don't lengthen it now  
with undue grief lift up your hearts and share  
with me, God wanted me now He set me Free.
